

*Dear Ms. Carter,*

I am incredibly honored to be the recipient of the Edmond Board of REALTORS Veterans Support Scholarship. Your generous contribution is instrumental in helping me complete my final semester as a Public Health major with a minor in Human Environmental Sciences. As a U.S. Air Force veteran with over 10 years of service, an active duty Air Force spouse, and a mother of three, this support comes at a crucial time, allowing me to focus on my studies and achieve my goal of graduating this December. My dedication and hard work are evident in my academic achievements, which include three semesters on the Dean's Honor Roll and two on the President's Roll. As the first female Cheyenne and Arapaho Tribes Veteran board member, I serve as secretary and treasurer, support local initiatives, and help organize Veteran events. I hold a Mental Health First Aid (MHFA) certification from the National Council of Wellbeing. I am currently in the works of revitalizing my local American Legion Post 401. I aim to apply for a Master of Public Health (MPH) in Environmental Health and join the Commissioned Corps of the U.S. Public Health Service. I am deeply grateful for your support and promise to honor your generosity by striving for excellence and giving back to my community.

*Rachel Kimbrough*

Dear Ms. Carter

Thank you so much for considering me to receive the Edmond Board of REALTORS scholarship. I am a Public Health major with a Coaching Education minor. I love to contribute to my community and be a part of its overall growth. I want to continue to contribute to my community after graduation by working with children in program development. I currently coach football and basketball. I am also a member of Sigma Gamma Rho sorority incorporated. I believe all these things tie together. Even my military service shows that I love to contribute to the bigger picture. I love working with children and helping them reach new heights. Your contributions will certainly help me obtain the materials I need and remain focused on my education. I am also a student member of SOPHE. I will be presenting as a panelist in April at the National Conference in Long Beach. I am very excited to participate in this upcoming conference as well! Thank you all for awarding me this scholarship!

Sonyria Lennon

Dear Ms. Carter

I am truly honored to accept the Edmond Board of Realtors Veteran's Scholarship and would like to express my gratitude for your generous contribution. Your support plays a pivotal role in helping students like me pursue our academic and professional dreams, and I am deeply appreciative of your investment in my future.

As a veteran and senior biomedical science major, I am dedicated to advancing my knowledge and preparing for veterinary school. This year, I plan to apply to veterinary school with the aspiration of specializing in veterinary pathology. In addition to my academic pursuits, I serve as the current president of the Pre-Vet and Animal Welfare Club where I help provide fellow students with hands-on opportunities to gain animal-related experience through volunteer activities. This involvement has allowed me to raise awareness about animal welfare and serve as a leader to other pre-veterinary students while also fostering a sense of community among students with shared interests.

I am eager to contribute to advancements in animal health through both my studies and future career.

Abby Osborn

*Dear Ms. Carter*

Thank you for selecting me to receive your generous contribution. I am honored to receive the Edmond Board of REALTORS Veterans Support Scholarship.

I have proudly served this nation almost six years, and I am continuing to do so for the foreseeable future. I am currently classified as a senior and am majoring in Economics and minoring in Military Science. Upon graduation, I hope to commission as an Army officer while remaining within the Oklahoma Army National Guard through UCO's Reserve Officers' Training Corps (ROTC) program. I am currently working hard on my schoolwork at UCO and in my career in the Oklahoma Army National Guard. I am also preparing for Cadet Summer Training this summer where I will ultimately be tested and assessed on my leadership abilities as a future Army officer. Balancing my educational, military, and personal lives has proved to be a challenge, but I am remaining strong in all those challenges. Your generosity and support has assisted in alleviating the financial burdens every student encounters. Thank you once again for your support!

*Alejandro Pina Zuniga*

*Dear Ms. Carter*

I am a psychology student at the University of Central Oklahoma and a proud veteran. With a background in engineering and business ownership, I bring a unique and practical perspective to my studies. My academic focus centers on the physiological effects of long-term stress, particularly in veterans and first responders. I am passionate about developing innovative mental health solutions, including a scalable app designed to support those dealing with PTSD. In addition, I hope to create a reverse boot camp program aimed at addressing early stressors that can lead to PTSD, providing preventative care and resilience training. These goals reflect my deep commitment to serving those who have served and ensuring they receive the support they deserve. I am truly honored and grateful to receive the Edmond Board of Realtors' scholarship, which plays a crucial role in helping me continue my education and pursue a career in clinical psychology. This support brings me one step closer to making a meaningful, lasting impact in the lives of others.
